Notes from the boss.....

Welcoming our Wigan neighbours to Burnden Park for tonight's Littlewoods Cup tie, it hardly needs me to remind you all that previous fixtures between the clubs have produced some very close encounters. Certainly since I have been here Bolton v Wigan games have always provided the fans with excitement.

Last week's game at Springfield Park was certainly in that vein. The pendulum swung both ways and I'm sure the fans regarded it as a good cup tie.

What we have got to do is to press home the advantage which took a great deal of hard work and effort to achieve. I thought we were justified in coming away with the victory and the first leg superiority. Not many teams go to Wigan and win these days and our players deserved what they got.

We still have a lot of hard work to do to finish the job off tonight. The tie is very delicately balanced but the rewards are high — a place among the big boys of the First and Second Divisions in Round Two. I hope the Wigan contingent will excuse me if I suggest that they have enjoyed enough Cup runs lately and maybe it is our turn for a change.

From a Manager's point of view the season has started well for me. The new faces I have brought to the club

have worked well with each other and the signs in the games so far have been very encouraging.

As much as we would have liked a 100 per cent record to kick off with, it does take a lot of hard graft and a touch of luck if you're going to hit it off when you are trying to blend so many new players into a team at one go.

But I believe it is coming together very nicely. You, the fans, have played your part with the encouragement you have given us so far. All I would ask is that you keep it going. I'm sure it will not be long before we are in there among the front runners.

For those who haven't heard his vocal promptings from the trainer's bench, Mick Brown is back in action with us again after his accident. It is great to have him back among the lads. Ron Atkinson is still around to lend us his experience too. He continues to help out when he can — and that speaks volumes for his love of the game.

WIGAN ATHLETIC

Tonight we welcome the Directors, Players and supporters from Wigan for this Littlewoods Cup tie second leg.

Away from the Cup, Wigan start another season in Division Three but look back on a memorable last campaign.

Having lost the nucleus of the 1985/86 side plus Manager Bryan Hamilton, a great deal of rebuilding had to be done. Ray Mathias was the ideal man to take over. Two signings during the season - Bobby Campbell from Bradford City and Andy Holden from Chester saw Wigan shoot up the table and also embark on an exciting Cup run. Norwich and Hull were all bundled out of the F.A. Cup competition and it took a narrow victory by Leeds to stop Wigan at the 6th Round. Success in the Cup caused fixture congestion come April, having to play

eight games in 24 days and the team responded by winning five and drawing two. A promotion play off place became assured after a hard earned win against struggling York City on the Bank Holiday Monday.

With Second Division beckoning, Wigan fans will still relive the home leg of the play off game with Swindon Town. After taking a two goal lead, the side allowed Swindon to score three times in the final 20 minutes.

Like ourselves they were left with the bitter disappointment of losing out. But it was a good season for the Club that looked in dire trouble at the start. Wigan lost their first six matches including elimination from the Littlewoods Cup. A good early run and it could have been an entirely different story.

Here are the lads who will be keeping the ball rolling this season — they're the Ball Boys, all of whom are members of the Junior Whites who are of course sponsored by HB Electronics.

One of the Clubs newly recruited advertisers this season, Taurus, another local firm kindly offered to supply and screenprint the sweatshirts. *

Pictured here is the lively line up wearing their new tops. The name Taurus is displayed on the front and HB Electronics on the back.

VISITORS PEN FILE

ROY TUNKS — Roy is now in his 7th year at the Club having joined them on a 'free' transfer from Preston North End in 1980. He has proved to be an excellent servant and was a member of the Freight Rover Trophy Team in 1985.

RAY MATHIAS — was appointed Manager in June 1986 when Bryan Hamilton left for Leicester. He led them to their most successful season to date and to the 6th Round of the FA Cup and also to a play off place.

JOHN BUTLER — Signed from Prescot Cables in 1981 and has played in every position at Wigan, including a 10 minute spell as goalkeeper.

BARRY KNOWLES — Born in Wigan and is very popular with the Wigan followers. Was voted Player of the Season last term.

ALEX CRIBLEY — Longest serving professional at the Club. Signed from Liverpool where he gave up a promising academic career to concentrate on football.

PAUL BEASLEY — Voted Young Player of the Year last season. People within the game earmark Paul to make it all the way.

ANDY HOLDEN — Signed from Chester last season and immediately tightened up the Latics defence.

PAUL COOK — Graduated through the Latics Youth policy and although he is still very young his midfield contributions have often helped Latics win games.

DAVID HAMILTON — Was signed from Blackburn Rovers in 1986 for £26,000.

MARK HILDITCH — Signed as a non-contract player last season and soon proved to be one of the most valuable at the Club. He has occupied 7 positions and scored 8 goals.

CHRIS THOMPSON — Signed on a 'free' transfer from Blackburn Rovers in June '86 and played a major role in the Clubs success story last term.

IAN GRIFFITHS — He was troubled with a shoulder injury last year but fought back to bull fitness and held onto the No. 11 shirt for the rest of the season.

PAUL JEWELL — The arrival of Bobby Campbell at Wigan proved to be the making of Paul Jewell. He was goalless until December last season but created a brilliant understanding with Bobby that brought in 15 goals.

BOBBY CAMPBELL — Is well loved by the fans. He was signed from Bradford City for £35,000 in September 1986. His arrival at the club along with Andy Holden proved to be the turning point last term. Scored 20 goals and created countless others.

WIGAN ATH. 2 BOLTON 3

Bolton's new boys Trevor Morgan and Jeff Chandler sparkled in a stunning win over their Third Division neighbours in last night's Littlewoods Cup first leg tie.

Wigan grabbed the lead in 30 minutes with a stooping header from Bobby Campbell.

But Phil Neal's re-shaped Bolton were revitalised in the second half and Morgan snatched the equaliser in 52 minutes from Chandler's corner.

Then Chandler saw his left wing cross take a wicked deflection off Wigan's Stuart Storer to put Bolton ahead.

The new duo combined to provide Bolton's third. Chandler knocking in a pin-point free kick after 81 minutes for Morgan to power in the header.

But a mistake by Warren Joyce gifted Chris Thompson a late goal to give Wigan a lifeline.

BOLTON 1 CARDIFF 0

Old-fashioned winger Jeff Chandler, back in Bolton harness after a two-year stint at Derby, proved the match-winner.

But it was tough going for Bolton against a fiercely determined City side, bristling with new faces and powerfully aggressive.

There were times when Bolton were outgunned by the slick moving City.

But their heads never dropped and they were given a tremendous fillip by Chandler.

A Thomas cross was deflected for Chandler to take his chance well.

Chandler turned on some flashes of wing sorcery to keep Bolton's morale on a high, but there was always the threat of a city comeback.

After Felgate had saved superbly from Gilligan the Bolton defence was severely tested.

Bolton's attack, though seldom moving with real fluency, had their moments.

They had a penalty appeal refused when the outstanding Platnauer tangled with Joyce and Perry cleared a Thomas header off the line.

It was not, perhaps, an ideal day for Wanderers but boss Neal said: 'I'll settle for playing spasmodically if we get the points.'

JOHN BYROM BOLTON WANDERERS (1966-1976)

In this issue we turn the clock back some 11 years to cover an 'old' Burnden favourite, John Byrom.

Ever popular John made a surprise return to the club last week when he called in on one of his infrequent visits to say hello to everyone.

He spent 10 seasons here before returning to his home town club, Blackburn Rovers where he played out the last six months of his career before easing into football retirement.

Up to date news on John is that he is now running a little calor gas bottle business in Blackburn.

According to the man himself, including League and Cup games he scored some 140 goals for Bolton, "although I wouldn't know exactly," he said.

Nowadays he just watches live football spasmodically. He added, "I still have a look in at all the Lancashire clubs early doors in the season. I will perhaps attend games until September, then I stop until the Cup ties start. That's when it gets interesting again isn't it?"

NO FLAIR. Comparing football these days to the time when he was playing he seemed to be concerned about the entertainment value. "My view", he said, "is that there are no real characters left really and the flair has gone out of the game. I think this has been brought about by too much coaching at junior level and the natural ability has not been allowed to come through". He continued, "the pattern of play to me seems to be the same, it's just like watching "same" teams wearing different shirts".

John still tries to keep in touch with his old team mates when he can. "I recently saw Barry Siddall, Paul Jones and Mike Walsh when Blackpool visited Ewood Park in the Manx Cup, and I always get in touch come Cup Final time," he concluded with a smile.

NOTICE BOARD

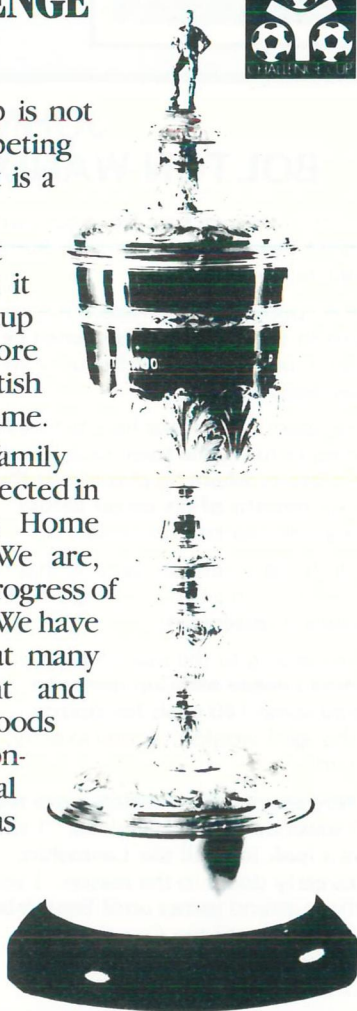

FACING THE CHALLENGE

The Littlewoods Challenge Cup is not just a challenge to the teams competing for this magnificent trophy, but is a challenge to us all.

It is the same challenge that Littlewoods put to itself when it took on the sponsorship of the cup in 1985. That challenge is to restore football to its rightful place in British Society as the traditional family game.

Littlewoods has always kept the family at heart, with its values being reflected in all our three main divisions; Home Shopping, Stores and Pools. We are, therefore, delighted with the progress of the Littlewoods Challenge Cup. We have seen high family attendances at many matches, and the excitement and interest generated by the Littlewoods Junior Challenge Cup, in conjunction with the National Association of Boys Clubs, has been tremendous.

So join Littlewoods in this challenge and help restore the traditions to Football – our National game.

FLASH BACK

5 YEARS AGO. 24th August, 1982. The Wanderers visited Old Trafford to face Manchester United in a friendly testimonial for the dependents of the late Jim Headridge, the former Wanderers physio.

Bolton found themselves two goals down in the 64th minute, both scored by Norman Whiteside, but struck back to save the game. Simon Rudge, on his debut and Ian Moores struck twice in three minutes to stun the expensive United side.

28th August, 1982. Bolton took on Burnley, newly promoted to the second division, at Turf Moor in their opening League fixture. Ian Moores and John McGovern made their debuts for the club in a game that ended goalless.

10 YEARS AGO. 23rd August, 1977. John Ritson returned to the side at right back in place of Andy Clements as the Wanderers defeated Millwall 2-1 at Burnden. Neil Whatmore turned a Peter Reid pass into the net in the 55th minute and two minutes later Sam Allardyce headed powerfully past Nicky Johns in the Millwall goal for Bolton's second. Brian Chambers pulled a goal back in the 78th minute.

27th August, 1977. Bolton went to the top of the second division with the only one hundred per cent record after beating Sheffield United 2-1 at Burnden. Peter Reid cracked the first goal in only the third minute but Alan Woodward equalised for United in the 35th minute. Neil Whatmore struck a dramatic winner a minute from time as it seemed the Wanderers were going to be held to a draw.

15 YEARS AGO. 26th August, 1972. The Wanderers defeated Oldham for the second time in ten days with a 2-1 League win at Burnden. Ronnie Blair fired the visitors in front in the 7th minute and Harry Dowd in the Oldham goal produced a number of saves to deny Bolton. Ralph Wright eventually got the breakthrough in the 38th minute and Ronnie Phillips scored the winner 13 minutes from time.

28th August, 1972. Despite taking the lead in the 19th minute through John Byrom, Brentford came from behind to take the points by 2-1 at Griffin Park, before their best crowd of the season of 11800. Mike Allen and Alan Murray scored for Brentford, the winner coming just before half time. A Wanderers bid for Coventry City striker Bill Rafferty was turned down by the Midlands club.

RESERVES NEWS

The Wanderers A team started their season a week early when on the 8th August they went down 4-3 to Marine reserves at the Greyhound Stadium. Only Derek Scott in the Wanderers side had any experience whilst the Liverpool side carried many old heads.

Mike Jeffrey fired Bolton in front early on and the youngster also netted Bolton's second goal but unfortunately they were 3-2 down at half time. Derek Booth rattled home a free kick to level matters and despite being the better side for most of the half Marine capitalised on goalkeeping errors to take the points.

Team: Price, Scott, O'Brien, Roberts, Jackson, Halligan, Gaskell, Gaskell, Jeffrey, Raven, Still, Booth. Sub Banks for Raven.

Last Saturday the Wanderers were again at home this time drawing 0-0 with Stockport County reserves.

"Pie in the Sky"

Good evening and a warm welcome to all the "Pie Eaters" who have journeyed across from Wigan.

Hopefully after todays special board meeting it will have been agreed to allow Wiganer's up to 3 pies per person at tonights game. Only kidding folks, let's hope that this Lancashire "Hot-Pot" lives up to expectations with the Whites moving into the second round, when the draw gives you a club from Division One or Two.

It doesn't seem 10 years since our encounter with Everton in the Semi-Final of the then League Cup with 20,000 Wanderers going to Goodison for a night to remember. Unfortunately the second leg didn't go according to plan and Wembley was taken from our grasp. Wouldn't it be nice to draw the Blues again ten years on!

To change the subject slightly, heard the one about Liverpool kicking off late every week, "Why's that" you cry, because there's no RUSH any more, and the one that's going round the dressing room Why does Neil Whatmore keep going outside? Because he wants some fresh HAIR!

The Cockney connection, Trevor and Jeff are the comedians of the dressing room. Rumours have it that 'Little and Large' had better watch out so had defenders because they won't be laughing this season after meeting these two.

Burnden Park News

Come September, the Football and the Community Scheme will have completed it's term operating from Burnden Park.

It is a scheme sponsored by the Manpower Services Commission and originally was the 'brainchild' of former Newcastle and Blackpool winger, Micky Burns who is now based at the P.F.A. Headquarters in Manchester.

At the present time six North West clubs are involved, Preston, Bury, Bolton, Manchester City, Manchester United and Oldham Athletic.

This keeps the eight part time staff plus the full time organiser, Kevin Jardine and supervisor Gary Pierce fully occupied and the scheme has been so successful that eight new clubs are joining and it's spreading into Yorkshire.

The overall aims are to improve the image of soccer and to open up the individual club facilities to the community and ultimately to encourage the general public to become involved in "their club" again after the bad image created by the media etc. Although still in its infancy F. & C.S. has already taken in 22 Primary and Secondary Schools

over the past eight months, where the staff have coached the school-children on soccer, netball and rounders.

The staff also admit to gaining experience as well and they have regular meetings to discuss their progress and new ideas — many are in the pipeline for this new season. The scheme extends further than schools. There is a Ladies Day here at the club every Tuesday between 12 and 4 pm in an effort to encourage the female community. The women have sessions on self defence, aerobics and general talk-ins, before playing badminton.

The executive club facilities have been used to entertain senior citizens, and unemployed sessions regularly take place. The police sponsored a 5-a-side competition and now a full team of eleven has been established where it is hoped to play opposition from other clubs in the scheme. Despite all the staff efforts however, because the scheme is non-profit making there are money problems and there have had to be certain restrictions and sponsorship of any kind will be appreciated.

NOTEBOOK

GOLDEN OLDIES.

27th March, 1954. Tonight we look back over 33 years when the Wanderers third team took on Wigan Athletic (first team) at Springfield Park. The clubs were then in the Lancashire Combination and it was League used by the Wanderers to bring on the youngsters to the rigours of the Central League and eventually the Football League.

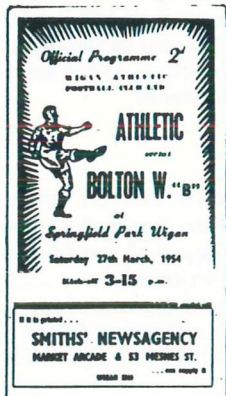

Wigan on the other hand had won the Combination Championship the previous season and were once again top of the League with only two defeats in 28 games. This was to be used as a springboard, along with their Cup fighting record, to attempt to gain admission to the Football League.

Unfortunately it was to be another 24 years before their ambition was realised despite once again winning the championship of the Lancashire Combination in 1954.

Wigan ran out 4-1 winners against the Wanderers whose side contained some names later to reach League Football in the first division.

Wigan: Lomas, Newbury, Parkinson, Lynn, Mycock, Banks, Penk, Livesey, Lindsay, Butler, Hindle.

Bolton: Grieves, Chadwick, Higgins, Threllfall, Edwards, Egerton, Greenwood, Donaghy, McIlwain, Bailey, Bannister.

REFLECTIONS.

Wigan Athletic make their first ever visit in either of the two major Cup Competitions. Obviously the last Cup encounter between the clubs will still be remembered when the Wanderers defeated Wigan over two legs to qualify for the Freight Rover Trophy Final at Wembley in 1986.

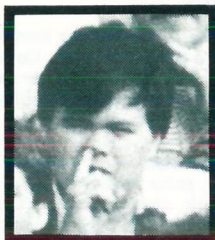

Incredibly, prior to last weeks first leg at Springfield Park, nine out of ten League and Cup games have ended with a margin of only one goal. The odd game out is the one that took place in March 1986, when Bolton ended Wigan's undefeated home run of 33 games without defeat, and a 3-1 scoreline. All the goalscorers in that game are no longer with their respective former clubs. Asa Hartford, Mark Gavin on his debut and Tony Caldwell were on the mark for Bolton, Colin Mathven scoring for Wigan with all four goals coming in the second half.

The first League game with Wigan took place as recently as December 1983 and the clubs have faced each other every season since then in the third division with the Littlewoods Cup making it possible this season. Jeff Chandler scored the winning goal in that first meeting and followed this up a season later with a penalty winner in the game at Burnden.

Last season Wigan completed the double with both games ending 2-1 in their favour. Former Wanderer, Chris Thompson and Paul Cook gave Wigan the lead with Warren Joyce firing home a 75th minute 25 yarder, to make an exciting finish.

At Burnden, Wigan again went into a two goal lead, both in the space of nine minutes just before half time from Paul Jewell and Bobby Campbell. Asa Hartford converted a 79th minute penalty after Alex Cribley's handball and Warren Joyce almost equalised in a dramatic last kick incident when his shot deflected just over the crossbar.

OUT & ABOUT

PICK A WINNER

This picture certainly won the hearts of everybody when it appeared in our first 'Face in the Crowd' competition last Saturday and he's revealed himself.

He was picked out by our nosey photograph at the Crewe game and there's more in store.

He's Andrew Walker, a supporter of the Wanderers for 15 years and he lives in Eccles.

Andrew said, "I just brought a programme and had a complete surprise, I just wished for the ground to open up, because I took a right ribbing from the people around me in the Burnden paddock."

Andrew did however have a complimentary word for our new programme. He said, "It's a lot better than other editions, there's more to read and its a better layout. I also like the variation of going away from the club and interviewing other players, the general opinion on the terraces is it's a lot better."

When shown his prize for winning the competition Andrew had the last laugh and said "I'm chuffed to mint balls".

PROGRAMME PANIC

Match day programmes have certainly hit the news since the season started.

For Oldham's mid-week game the programme arrived at half time. Last Saturday we received a telephone call from Norwich City who claimed that for their mid-week game, the programmes arrived — by helicopter - 35 minutes before kick off! Last Saturday their editions still hadn't been delivered two hours before the game.

Suppose one consolation is that they're hot off the press.

ON THE GRAPEVINE

Did you hear the one about the fanatical Reading fan who had his favourite club's emblem tattooed on his arm?

A few days after the club changed the elm tree design which had cost the fan £25 to be put on and it will now take plastic surgery to remove it.

"There was nothing wrong with the emblem", he claims.
